1.0 GENERAL INFORMATION

About This Document

The purpose of this GDRS is to clarify information concerning Graduate Teaching Fellowships (GTFs) offered by this GTF hiring unit. The relationship between GTFs and the University as a whole is governed by the Collective Bargaining Agreement (CBA) between the University of Oregon and the Graduate Teaching Fellows Federation. This GDRS details the specific relationship between GTFs and this GTF hiring unit.

This document does not apply to work-study, hourly student employees or other staff hired in this GTF hiring unit.

About GTF Tuition and Fees

Graduate Teaching Fellows are required to maintain and complete a minimum of 9 graduate credit hours. GTFs pay no tuition on the first 16 credit hours per term if their appointment is equal to or greater than .20 FTE and they complete the assignment at .20 FTE or greater. Graduate Teaching Fellows must pay $140.00 of the mandatory fees set by the Oregon University System; fees are subject to change without additional notice. Details of GTF and University contributions to these fees are contained in the current Collective Bargaining Agreement, Article 22.
About the Graduate Teaching Fellows Federation (GTFF)

All Graduate Teaching Fellows (including administrative, research and teaching GTFs) at the University of Oregon are represented by a union, the GTFF. Official membership is at the individual's discretion although payment of monthly dues or an equivalent is required under a fair share agreement. Levels of appointment and minimum salary levels for all graduate teaching appointments are subject to the provisions of the CBA between the GTFF and the University of Oregon. A link to the CBA and to this GDRS is provided in the GTF appointment contract signed by each student who accepts a GTF appointment.

The individual who shall oversee the implementation of this GDRS is:
Brent Harrison

DATE OF THIS GDRS REVISION: 5/27/2015

2.0 AVAILABILITY OF GRADUATE FELLOWSHIPS

The availability of GTF appointments are programmatically determined by department faculty in the case of academic units and by unit leaders in the case of non-academic units. The number of GTF positions available is subject to the budgetary constraints on the GTF employing unit and the University, and is based on the unit’s specific need for one or more GTFs.

In this GTF employing unit, the priority is to staff regular required courses (including the following courses) and to provide assistance to faculty where needed:

Ability will be determined by review of declared competencies in the application, letters of recommendation, and/or description of performance in previous similar appointments. The review may include verification of qualifications, experiences, performance claimed and a telephone reference audit and/or interview to validate the ability to fulfill the duties of the fellowship.

Students will be considered in the following order:

This GTF employing unit has established a maximum number of reappointments for which a student is eligible. These are as follows:

Master’s degree students may be eligible for GTF appointments for two years of academic study, and then may petition for an additional year through the Associate Director of Programs.
Doctoral degree students may be eligible for GTF appointments for three years of academic study, and then may petition for additional years through their academic department.

The Graduate School requires that students be enrolled for and successfully complete a minimum of 9 graduate credit hours towards the degree during each term of a GTF appointment and be making satisfactory progress toward their degree in order to be eligible for a GTF appointment (see Section 9).

In addition, this GTF employing unit requires that a GTF maintain her/his studies in residency at the UO during each term of appointment Yes

5.0 APPOINTMENT AND REAPPOINTMENT

In accordance with the CBA, this GTF employing unit’s standing committee of at least three members includes:

The standing committee of the department will be made up of at least three members. The PE & Rec committee will be: the Associate Director of Programs, the Assistant Intramural Sports Director, and Human Physiology Director of Athletic Training program.

Also in accordance with the CBA:

- GTFs will be appointed year-to-year rather than term-to-term, whenever feasible. GTFs are not employed term-by-term in order to determine whether they are adequately qualified for a GTF position.
- Reappointments are not automatic, nor are they guaranteed.
- In the case of the continuation of a particular position, the same student may continue in (i.e., be reappointed to) the particular GTF position without any new announcement of the position.

Appointments and reappointments will be based on evaluation of each candidate's qualifications with respect to eligibility criteria in section 3, as well as (A) general criteria for any appointment, (B) general criteria based on particular types of work assignments available within the GTF employing unit and (C) specific criteria relating to the particular GTF work assignment.

(A) General criteria include (in no particular order):

- Academic Credentials. For incoming students, this is evidenced by previous degrees and grades, test scores, etc. For students currently enrolled in the department, candidates will be ranked based on academic achievement. Making satisfactory progress toward the degree is an eligibility criterion, not a criterion on which rank in the applicant pool is determined.
- Recommendations from academic or work supervisors. Consideration will also be given for a positive working arrangement between a GTF and the faculty person with whom the GTF will work. While appointment or reappointment criteria may include the recommendation of the person who will act as the GTF’s supervisor, the committee must give substantial consideration to the other appointment or reappointment criteria.
- Previous experience. For teaching GTF positions, having previously taught or taken the course where the GTF position is offered. For non-teaching GTF positions, previous employment or other experience relevant to the GTF position available.
- Interviews. Finalists will be interviewed and evaluated based on their performance and responses.
- Financial need will be considered in evaluating two or more equally qualified candidates.

(C) All criteria specific to a particular GTF work assignment are specified in position announcements (see Section 2 above for how to access these position announcements).

See the position announcements for details, but these may include:
Ability to fulfill the intramural sports duties of the appointment. To those admitted to a graduate degree program in the Department of Human Physiology. Ability will be determined by review of declared competencies in the application, letters of recommendation, and/or description of performance in previous similar appointments. The review may include verification of qualifications, experiences, performance claimed and a telephone reference audit and/or interview to validate the ability to fulfill the duties of the fellowship.

Candidates will be rank-ordered based upon, first, the eligibility criteria in Section 3, and subsequently, the general, assignment type-related, and specific criteria referred to above. This applies to positions that become available outside the normal appointment cycle as well.

If no qualified students apply or are available for a particular position, the selection committee or department head may decide to reopen the application process for the position. Generally, same application process described in Section 4 and appointment/reappointment process described here will be repeated. However, the department reserves the right to proceed to fill the position as it would an emergency appointment (also described in Section 4).

Performance of GTFs in this employing unit are evaluated:
☒ At the end of every term
☐ During spring term
☐ At the end of the academic year for GTFs appointed fall, winter and spring
☐ At the end of the summer term for summer GTFs

Evaluations are performed by:
The criteria used for evaluation include:
Verbal performance evaluation of duties as assigned.

6.0 WORKLOAD

Workload includes performance of all duties of the work assignment. For example, the workload for a teaching assignment would include preparation time, office hours and time spent interacting with students via email or Blackboard, etc., in addition to time spent actually teaching. In setting the workload (and thus FTE) for a particular GTF position, GTF employing units consider what constitutes a workload sufficient to perform the work assignment satisfactorily.

In this GTF employing unit, GTFs are most commonly appointed at the following full time equivalent levels (FTE) and corresponding total workloads:

- .20 FTE (Up to 88 hours per term or up to 264 hours per academic year)
- .25 FTE (Up to 110 hours per term or up to 330 hours per academic year)
- .30 FTE (Up to 131 hours per term or up to 393 hours per academic year)
- .35 FTE (Up to 153 hours per term or up to 459 hours per academic year)
- .40 FTE (Up to 175 hours per term or up to 525 hours per academic year)
- .45 FTE (Up to 197 hours per term or up to 591 hours per academic year)
- .49 FTE (Up to 215 hours per term or up to 645 hours per academic year)

7.0 WORK ASSIGNMENTS

For various work assignments, the distribution of workload among various duties is considered to be reflective of average breakdowns within the normative standard of the total workload. The distribution of time actually spent on duties may vary from week to week, but the workload per term should be within the designated number of total workload hours. GTFs are encouraged to track how they spend their work hours and to contact their supervisors early in the term if the distribution of time they are spending on individual duties varies widely from established expectations. This section sets forth expectations around duties for GTF assignment types in this unit.

NOTE: Where the workload is broken down by work assignment duties and is designated as a "minimum" number of hours, the GTF is required to fulfill that specific time commitment.

In this GTF employing unit, duties for the following types of GTF work assignments are as follows:

DUTIES BY WORK ASSIGNMENT

Instructor of Record:
N/A

Discussion Section Leader:
N/A
Laboratory Section Leader:
N/A

Teaching Assistant:

8.0 HEALTH AND SAFETY INFORMATION

Accident Reporting and Workers’ Compensation:

The University's Workers' Compensation Program is administered by the Office of Environmental Health and Safety (EHS). If you have any questions about the program, please call 346-2958 or 346-2907.

All University of Oregon employees, including GTFs, are covered by workers' compensation insurance through SAIF Corporation. This coverage is for occupational injuries, illnesses or diseases that arise out of or in the course and scope of employment.

The University has established procedures for reporting accidents and filing workers’ compensation claims. They are intended to expedite claims processing and to minimize the possibility of delays in payment of benefits. If a GTF is injured on the job, the GTF must report it immediately to the supervisor. The supervisor will complete the Supervisor’s Accident Investigation Report (SAIR) with the GTF. If, as a result of the accident, the GTF requires medical care, a Workers’ Compensation Claim Form (801) must be completed within 24 hours. If, due to the nature of the injury or illness, the GTF is unable to complete the 801, the supervisor will submit it on behalf of the GTF. Workers’ compensation information and forms are available at http://facilities.uoregon.edu/. Forms can also be obtained from Departmental office managers or EHS.
Oregon laws prohibit discrimination or retaliation by an employer against an employee for filing a workers' compensation claim or a safety-related complaint with OSHA (Occupational Safety and Health Administration).

In addition to medical expenses related to the injury/illness, benefits provided by SAIF Corporation may also include temporary total disability payments if the GTF is unable to work as authorized by an attending physician. These payments equal \( \frac{66}{3} \% \) of the GTF's average weekly wage (up to a maximum established by the Oregon Legislature). Mileage payments for medical appointments and prescription reimbursements are also examples of benefits provided by SAIF Corporation. Certain medical treatments, however, are subject to exclusion. The GTF will be notified by SAIF Corporation of the rights and coverage when the claim is processed.

An injured GTF who is unable to work may not receive both salary compensation from workers' compensation and sick leave or other pay when this results in the GTF receiving more than his/her regular monthly salary. Should this occur and payment is received from both sources, the GTF must be prepared to repay any over-payments. If the GTF believes there is some confusion about salary or workers' compensation benefits, contact EHS immediately.

ORS 659A.043 – 659A.052 describe reinstatement or reemployment rights for employees who have sustained a compensable occupational injury or illness.

**Safety Information:**
The University of Oregon Safety Policy may be found in the library, http://policies.uoregon.edu/policy/by/1/08-health-and-safety/safety. The Office of Environmental Health and Safety (EH&S) is responsible for the University's safety programs. For questions or information regarding any of these programs, contact EH&S at 541-346-3192 or visit their website, http://ehs.uoregon.edu/ Safety concerns may also be submitted via an online reporting system on the Safety Advisory Committee website, http://ehs.uoregon.edu/safety-advisory-committee.

**Reporting Safety Hazards:**
GTFs who identify safety hazards and issues are encouraged to discuss them immediately with their supervisor. The following unit representative may also be contacted:
Bryan Haunert, Associate Director of Facilities

Other resources on campus to report such information include the Office of Environmental Health and Safety, a Safety Advisory Committee representative or a GTFF union representative. Off-campus resources include the local OSHA office and the Bureau of Labor and Industries (BOLI).

**Location of emergency procedures, evacuation plans, material data safety sheets (MSDS) and first aid supplies:**

Evacuation plans are posted throughout the Student Recreation Center (SRC), Gerlinger Hall, and Gerlinger Annex. MSDS are posted and maintained in the SRC Equipment Room. Emergency procedures, location of ice and other first aid supplies, are listed in the PE & Rec Emergency and Safety booklet. This booklet is reviewed, updated, and provided to each PE & Rec employee annually.
Use of Personal Protective Equipment:
N/A

Required safety training and appropriate departmental record keeping:
(a) All GTFs are required to carry CPR and First Aid Certifications throughout their employment with PE & Rec Training is available through PE & Rec and records are maintained in the Physical Education office.
(b) Appropriate response to the exposure of all bodily fluids, including blood-borne pathogens, is included in the PE & Rec Emergency and Safety booklet attached. GTFs who are assigned to clean up after bodily fluids, including blood, will be administered a series of three (3) Hepatitis B immunizations, at the expense of PE & Rec. Records of immunization will be maintained by the Facilities Coordinator.

9.0 SATISFACTORY PROGRESS TOWARD THE GRADUATE DEGREE

Because a GTF appointment is the method by which departments can offer financial support to promising students in a graduate degree program, and should be beneficial to the student's development in that program, individuals appointed as GTFs are regarded primarily as graduate students providing service as part of a learning experience, rather than solely as employees whose education is secondary.

The criteria used to assess satisfactory progress toward a graduate degree is the same for all graduate students in a particular graduate degree program, whether or not they hold a GTF position. For GTFs, satisfactory progress toward the degree is an eligibility requirement of GTF appointment and reappointment. Each GTF employing unit (employer) is responsible for verifying that the GTF is making satisfactory progress toward his/her degree, whether or not the hiring unit is also the GTF's graduate degree program. The GTF’s progress toward the degree is assessed based on criteria established by the GTF’s graduate degree program, regardless of where the GTF is employed.

Graduate School Minimum GPA: During the academic year, the Graduate School reviews academic transcripts of all graduate students holding GTF appointments. The Graduate School will notify a GTF's graduate degree program if the GTF's academic performance during the appointment period falls below the Graduate School's 3.0 GPA standard. The degree program will be asked to review the student's progress toward her/his graduate degree and issue its approval before a GTF reappointment can be made to that student.

This section describes satisfactory progress criteria specific to academic units that have graduate degree programs. In other types of GTF employing units, the GTF should refer to the GDRS for his/her academic program and/or inquire with the graduate program director or graduate coordinator/secretary.

This GTF employing unit is:

☐ An academic unit with a graduate degree program. See remainder of this section for details about satisfactory progress requirements and expectations for graduate students in this academic unit.
☐ An academic unit with no graduate degree program. Satisfactory progress is determined by each GTF’s graduate program. See that program’s GDRS for more information.
☒ An administrative, research, or non-academic unit. Satisfactory progress is determined by each GTF’s graduate program. See that program’s GDRS for more information.

13.0 Absences

NOTIFICATION. If you are unable to attend work at the scheduled time or to meet a class as scheduled, you must notify Brent Harrison as soon as possible, including, if possible, in advance of the scheduled work assignment or class that you are unable to attend. Do not cancel the class without permission from Brent Harrison. To the extent possible, provide the department with information about where you left off (e.g., in the previous class in the case of a teaching GTF). If you are able, please attempt to reach Brent Harrison by both phone and email.

In the case that you are unable to directly notify the department, you may designate someone to make your notification and provide the necessary information to Brent Harrison using this protocol. If you are going to miss more than one work week, you or your designee must contact the Graduate School. The Graduate School will coordinate with the GTF and the department on any adjustment due to the GTF’s absence.

COVERAGE FOR TEACHING GTFs. If possible, please attempt to find an appropriate substitute to take your class and notify the department of the proposed substitute. If you are unable to do this, inform Brent Harrison so he/she can assist in finding a substitute. If no appropriate substitute is found, the department may elect to cancel the class.

MAKE-UP WORK. Generally, for duties missed not related to a class meeting, please check in with Brent Harrison to determine when and how the missed work will be made up.

PLANNED ABSENCES. If you are planning an approved absence during any working days of the term, be sure to notify Brent Harrison how to reach you (if possible).

MORE INFO. More information about GTF absences— including those related to the birth or placement of a child, a serious health condition, or the care of a partner, child, or parent for a serious health condition— can be found in Articles 27 and 28 of the UO-GTFF Collective Bargaining Agreement, http://hr.uoregon.edu/er/labor-agreements
