2.2. The number of GE positions available is subject to the budgetary constraints of the Division of Student Life, the Office of the Dean of Students, and the university

5.0 WORKLOAD AND WORK ASSIGNMENTS
GEs who have sole responsibility for teaching a course and/or are listed as the instructor of record will be based on the academic credit value of the course for which the GEs are responsible. (Sole responsibility is understood to mean sole responsibility for preparation for and teaching of classes assigned to them.) For four- or eight-week courses during summer session, minimum FTE appointments of GEs with the same responsibilities described above shall be:
1. credit classes – minimum .30 FTE appointment
2. 4 or 5 credit classes – minimum .37 FTE appointment

5.1. GEs are appointed in the Office of the Dean of Students at the following full-time equivalencies (FTE) and represent the minimum corresponding workloads:
1. .20 FTE appointments require up to 88 hours per term, or up to 264 hours per academic year.
2. .25 FTE appointments require up to 110 hours per term, or up to 330 hours per academic year.
3. .33 FTE appointments require up to 144 hours per term, or up to 432 hours per academic year.
4. .40 FTE appointments require up to 175 hours per term, or up to 525 hours per academic year.
5. .49 FTE appointments require up to 215 hours per term, or up to 645 hours per academic year.

5.2. For the purpose of setting the workload (and thus FTE) for a particular GE position, the faculty supervisor shall consider what constitutes a workload sufficient to perform the work assignment satisfactorily.

5.2.1. Workload includes performance of all duties of the work assignment, including preparation time, office hours, drop-in duty, etc.

5.2.2. Experience demonstrates that for most GEs the total workload will not exceed these corresponding hours. It is however, recognized that individual differences do exist, causing some GEs to spend greater or lesser amounts of time in accomplishing the same assignment. The corresponding hours, therefore, may not refer to the actual time spent by a particular GE, but rather what a GE might accomplish given the same assignment.

5.2.3. It is the responsibility of both the GE and their supervisor to maintain regular contact regarding the assigned workload in order to allow for timely adjustment in workload before imbalances occur.

5.2.4. Where the workload is broken down by work-assignment duties and is designated as a “minimum” number of hours, the GE will be required to fulfill that specific time commitment.

6 HEALTH & SAFETY INFORMATION
The university acknowledges an obligation to provide a safe and healthy environment for GEs and agrees to do so in accordance with applicable local, state and federal laws pertaining to occupational safety and health.

6.1 Accident Reporting and Workers’ Compensation

6.3.3 The University’s Workers’ Compensation Program is administered by the Office of Risk Management. If you have any questions about the program, please call 541-345-8316, 541-346-2907 or go to: http://safety.uoregon.edu/risk-management

6.3.4 All University of Oregon employees, including GEs, are covered by workers’ compensation insurance through SAIF Corporation. This coverage is for occupational injuries, illnesses or diseases that arise out of or in the course and scope of employment.

6.3.5 The University has established procedures for reporting accidents and filing workers’ compensation claims. They are intended to expedite claims processing and to minimize the possibility of delays in payment of benefits. If a GE is injured on the job, the GE must report it immediately to the supervisor. The supervisor will complete the Safety Incident or Accident Report (SIAR) with the GE. If, as a result of the accident, the GE requires medical care, a Workers’ Compensation Claim Form (801) must be completed within 24 hours. If, due to the nature of the injury or illness, the GE is unable to complete the 801, the supervisor will submit it on behalf of the GE. Workers’ compensation information and forms are available at http://orm.uoregon.edu/content/injury-reporting-and-workers-compensation.

6.3.6 Oregon laws prohibit discrimination or retaliation by an employer against an employee for filing a workers’ compensation claim or a safety-related complaint with OSHA (Occupational Safety and Health Administration).
6.3.7 In addition to medical expenses related to the injury or illness, benefits provided by SAIF Corporation may also include temporary total disability payments if the GE is unable to work as authorized by an attending physician. These payments equal 66 2/3% of the GEs average weekly wage (up to a maximum established by the Oregon Legislature). Mileage payments for medical appointments and prescription reimbursements are also examples of benefits provided by SAIF Corporation. Certain medical treatments, however, are subject to exclusion. The GE will be notified by SAIF Corporation of the rights and coverage when the claim is processed.

6.3.8 An injured GE who is unable to work may not receive both salary compensation from workers' compensation and sick leave or other pay when this results in the GE receiving more than their regular monthly salary. Should this occur and payment is received from both sources, the GE must be prepared to repay any over-payments. If the GE believes there is some confusion about salary or workers' compensation benefits, contact ORM immediately.

6.3.9 ORS 659A.043 – 659A.052 describe reinstatement or reemployment rights for employees who have sustained a compensable occupational injury or illness.

6.4 Health and Safety Requirements. The University of Oregon Safety Policy may be found in the library, [http://policies.uoregon.edu/vol-4-finance-administration-infrastructure/ch-5-public-safety/safety-physical-space-and-environment](http://policies.uoregon.edu/vol-4-finance-administration-infrastructure/ch-5-public-safety/safety-physical-space-and-environment). The Office of Environmental Health and Safety (EHS) is responsible for the University's safety programs. For questions or information regarding any of these programs, contact EHS at 541-346-3197 or visit their website, [http://ehs.uoregon.edu/](http://ehs.uoregon.edu/). Safety concerns may also be submitted via an online reporting system on the Safety Advisory Committee website, [http://ehs.uoregon.edu/safety-advisory-committee](http://ehs.uoregon.edu/safety-advisory-committee).

6.4.3 Reporting Safety Hazards: GEs who identify safety hazards and issues are encouraged to discuss them immediately with their supervisor. The following unit representative may also be contacted: Rebecca Corral, Office Manager, rcorral@uoregon.edu or 541.346.1138.

6.4.4 Other resources on campus to report such information include the Office of Environmental Health and Safety, a Safety Advisory Committee representative or a GE union representative. Off-campus resources include the local OSHA office and the Bureau of Labor and Industries (BOLI).

6.4.5 Location of emergency procedures, evacuation plans, material data safety sheets (MSDS) and first aid supplies: The evacuation plan is updated and maintained by the Oregon Hall building manager workgroup. The Executive Assistant to the Deans for the Office of the Dean of Students is responsible for the following: the Safety Manual which is located in suite 164; the first aid kit which is located in the copy/mail room of 164 Oregon Hall and 1st, 3rd and 4th floor maps designating emergency escape routes are displayed on the wall of each lobby.

7 Satisfactory Progress Toward Graduate Degree
Satisfactory academic progress toward a graduate degree is a requirement of GE appointment and reappointment.

7.3 A GE appointment is the method by which departments can offer financial support to promising students in a graduate degree program, and should be beneficial to the student’s development in that program. As a matter of policy, individuals appointed as GEs should be regarded primarily as graduate students providing service as part of a learning experience, rather than solely as employees whose education is secondary.

7.4 The hiring unit (employer) is responsible for verifying that a GE is making satisfactory progress toward their degree, whether or not the hiring unit is also the GE’s graduate degree program.

7.5 During the academic year, the Graduate School reviews academic transcripts of all graduate students holding GE appointments. The Graduate School will notify the GE’s graduate degree program if the GE’s academic performance during the appointment period falls below the Graduate School’s 3.0 GPA standard. The degree
program will be asked to review the student’s progress toward their graduate degree and issue its approval before a GE reappointment can be made to that student.

7.6 Satisfactory academic progress shall be assessed by criteria established by that GE’s Graduate degree program.

8 DISCRIMINATION GRIEVANCE PROCEDURES
To file an employment-related discrimination grievance, GEs are encouraged to contact the Graduate Teaching Fellows Federation. For discrimination grievances that pertain to a GE’s role as a student, graduate students should refer to the student section of the AAEO Discrimination Grievance Procedures online at: http://aaeo.uoregon.edu/content/raise-concern.

9 WORK ENVIRONMENT
The work environment and materials provided to the Office of the Dean of Students’ (ODOS) GEs include the following:

9.3 Workspace: The ODOS provides working locks on doors, properly and securely installed shelving and partitions, where applicable, and safe and appropriate furnishings.

9.4 Private Meeting Space: Those GEs who require private meeting space shall be provided such.

9.5 Access to Telephones and Computers: GEs in ODOS will have access to telephones, computers with appropriate software, and other equipment necessary to carry out work assignments. This equipment is available during the office work hours, Monday-Friday, 8:00am-5:00pm.

9.6 Access to Office Supplies, Photocopies and Printouts: Administrative GEs work in the ODOS, and they will have access to office supplies necessary to accomplish tasks associated with their assignments as directed by their supervisors. Each area within ODOS has their own copy code to make copies and the GE within each area will have access to that code. Printers are available to GEs as needed in their day to day work. There is a fax machine available for business-related faxing as well as a scanner for business related scanning purposes. Access to these supplies is available at a minimum during our standard business hours – Monday through Friday, 8:00am-5:00pm.

9.7 The Office of the Dean of Students will move work locations September 2018. GE offices will change locations from Oregon Hall 3rd and 1715 Franklin Blvd to Oregon Hall 1st and 3rd floors when the remodel is complete.

10 ABSENCES
If you are unable to attend work at the scheduled time or to meet a class as scheduled, you must notify your supervisor as soon as possible, including, if possible, in advance of the scheduled work assignment or class that you are unable to attend. Do not cancel the class without permission from your supervisor. To the extent possible, provide the department with information about where you left off (e.g., in the previous class in the case of a teaching GE). If you are able, please attempt to reach your supervisor by both phone and email.

10.3 In the case that you are unable to directly notify the department, you may designate someone to make your notification and provide the necessary information to your supervisor using this protocol.

10.4 If you are going to miss more than one work week, you or your designee must contact the Graduate School. The Graduate School will coordinate with the GE and the department on any adjustment due to the GE’s absence.

10.5 COVERAGE FOR TEACHING GEs. Sick leave substitution hours are built into your FTE (see Section 5.0, Work & Work Assignments). The department will attempt to use substitutes evenly. In some cases, expertise in a subject or availability will determine a substitution. Please track your substituting hours and notify your supervisor if you believe you will likely exceed the hours allocated in Section 5.
10.6 MAKE-UP WORK. Generally, for duties missed not related to a class meeting, please check in with your supervisor to determine when and how the missed work will be made up.

10.7 PLANNED ABSENCES. If you are planning an approved absence during any working days of the term, be sure to notify your supervisor how to reach you (if possible).

10.8 MORE INFO. More information about GE absences— including those related to the birth or placement of a child, a serious health condition, or the care of a partner, child, or parent for a serious health condition— can be found in Articles 27 and 28 of the UO-GTFF Collective Bargaining Agreement, http://hr.uoregon.edu/er/labor-agreements.

10.9 Effective January 1, 2016, GEs began receiving paid sick leave. Sick leave is accrued in “days”. If you are absent from work, regardless of the length of the absence that day, you will be charged a “day” of sick leave. You accrue two days per term you work; you accrue an additional day during your first appointment in a school year. Sick leave is accrued at the start of each term. You can accrue a maximum of ten (10) days of sick leave, which can roll over year to year. Except for parental leave, you must exhaust sick leave prior to taking unpaid leave or reducing your GE appointment for illnesses or other covered circumstances.
