IMPORTANT INFORMATION ABOUT PURSUING CONCURRENT DEGREES

*** Determining Major 1 and Major 2:** Identify each degree program as either "Major 1" or "Major 2". Please note that only Major 1 will appear on your transcript each term, although the conferral of both degrees will appear on your final transcript.

Tuition: Beginning with the term of declaration of concurrent degrees, you will pay a tuition rate equal to the average of the two degree programs. For Concurrent Law students, please check with Student Billing for tuition information.

Concurrent master's/law degrees: Please note that both degrees must be awarded the same term.

Concurrent doctoral/master's degrees: Courses used to meet the Doctoral year of residency requirement cannot also be used to meet minimum Graduate School requirements for the Master's degree. Enter your Doctoral major as Major 1.

Minimum Graduate School Requirements: Students pursuing concurrent degrees are responsible for meeting minimum Graduate School requirements for each degree as outlined on the Graduate School website: <http://gradschool.uoregon.edu/policies-procedures/>

Degree Completion: No later than Friday of Week 2 in the term of graduation (for either or both degrees), you must apply for graduation and submit your completed Concurrent Degrees Program Plan to the Graduate School.
