ARTICLE 17

APPOINTMENT/REAPPOINTMENTS

Section 1. The University appoints GTFs after consultation with departments, schools, and colleges, who make recommendations from among a pool of eligible candidates within their unit.

Graduate students have the right to apply for GTF positions in all departments or employing units. There can be no limits on the number of GTF positions for which a graduate student may apply.

Each department and employing unit which appoints GTFs shall have a standing committee, made up of at least three members, to evaluate GTF applications. The standing committee shall rank applicants and shall base rankings and appointments and reappointments on written criteria for selection. These criteria should address issues such as:

a) who is eligible for appointment and how applicants are ranked (e.g., in-department vs. out-of-department students, Master's vs. Doctoral students, initial year vs. continuing students, etc.);

b) what weight is given to previous experience in teaching (in the department or in other departments or institutions);

c) if continuing appointments are possible, what evaluative factors are used (e.g., if previous GTF performance is deemed relevant, how is it to have been evaluated; are academic records as student being used, etc.).

The above are meant to be exemplary rather than mandatory. The intent is that candidates shall be given clear information concerning the framework in which their applications are being considered.

Each department and employing unit must maintain GTF search records (including applicant rankings) in accordance with the Oregon Administrative Rules governing personnel files for student employees. In the event of a grievance related to hiring procedures, this information, redacted in accordance with the Family Educational Rights and Privacy Act (FERPA), will be made available to the University and the Union.

Appointment decisions shall be made by the standing committee of the department and shall not be made for arbitrary or capricious reasons. In choosing among candidates, strong consideration may be given to the student's potential in the proposed academic program. Because of this, in academic departments, priority may be given to candidates enrolled in that department's program(s).

While appointment or reappointment criteria may include the recommendation of the person who will act as the GTF's supervisor, the committee must give substantial consideration to the other appointment or reappointment criteria.

If a department or employing unit does not offer a reappointment on the basis of less than satisfactory academic progress toward the degree, the department/unit must inform the student of this in writing, citing the criteria for satisfactory academic progress that have not been met. Graduate students may grieve departmental decisions related to satisfactory progress through the Graduate Student Academic Grievances procedure outlined in the Oregon Administrative Rule, 571-003-1020.
As described in Article 9, each potential GTF shall receive the written appointment or reappointment criteria at the time of application.

The University will send a notice to each candidate for a graduate teaching fellowship of its hiring decision within five (5) working days after the decision has been made. Unsuccessful candidates who wish to obtain additional information regarding the hiring decision shall have the right to make an appointment with the department head or graduate program director.

The University will offer graduate teaching fellowships to graduate students by sending letters of appointment stating the terms of the appointment, including the duration, monthly rate, percent of FTE, and level.

At the time of the appointment offer, each department or administrative unit shall provide the graduate student with written instructions on how to access the department or administrative unit's General Duties and Responsibilities Statement.

Hiring units and GTFS shall both endeavor to complete and sign letters of appointment and other necessary hiring paperwork in a timely manner.

The University agrees to post all GTF job openings for positions in non-academic or administrative units and out-of-department positions with the Graduate Teaching Fellows Federation office, and on the websites of the Graduate School and Human Resources.

Section 2. No appointment shall create any automatic right, interest or expectation in any other appointment beyond its specific terms. GTFS will be employed year-to-year rather than term-to-term whenever feasible. GTFS cannot be employed term-to-term in order to determine whether they are adequately qualified for a GTF position. Employing units are encouraged to appoint full academic year (fall, winter and spring) appointments whenever feasible. Departments or programs which find that a class or service must be canceled due to a lack of enrollment or the necessary elimination of a service may layoff affected GTFS in accordance with Article 20. Each department and employing unit in which there is a possibility that GTFS will be reappointed shall include reappointment criteria in their written criteria for appointment (see Section 1).

Section 3. Once an appointment of a GTF has been accepted it may not be rescinded or reduced except for good cause shown. The duration of a GTF appointment is limited to a maximum period established by policies published in the GDRS governing GTF reappointments in the department or school, contingent on satisfactory academic progress and the availability of funds and positions, and providing that the definition of the position does not substantially change. GTF employment shall not be discontinued for employment performance unless performance deficiencies warrant non-renewal or termination.

Section 4. Departments and programs will give priority to GTF appointments. All graduate students employed by the University at .2FTE or above for research, teaching (e.g., grading, lab assistant, discussion leader) or administrative duties will be awarded a Graduate Teaching Fellowship, except in emergency situations that cannot be accommodated by an increase in the FTE of current GTFS and/or the creation of new GTF position. This section also applies to the hiring of undergraduate students or other non-salaried hourly workers to positions appropriate for GTFS. Nothing in this article is intended to limit appropriate educational opportunities for undergraduates.
