The relationship between GEs and the University as a whole is governed by the Collective Bargaining Agreement (CBA) between the University of Oregon and the Graduate Teaching Fellows Federation. This GDRS details the specific relationship between GEs and this GE hiring unit.

This document does not apply to work-study, hourly student employees or other staff hired in this GE hiring unit.

The revision date of this GDRS is October 1, 2019.

Implementation Oversight
The individual charged with overseeing implementation of the processes outlined in this GDRS is:
- Jessica Roberts, Director of Communications, robertsj@uoregon.edu, 541-346-8979

2.0 AVAILABILITY OF GRADUATE EMPLOYEE APPOINTMENTS

Overview
The availability of GE appointments in the College of Education (COE) Communications Department is determined by COE administration and based on the administrative needs of the Office of the Dean. The number of GE positions available is subject to the budgetary constraints on the GE employing unit and the University.
In this GE employing unit, GE positions are typically limited to administrative positions. Appointments are typically available during the academic year only (Fall, Winter, and Spring Terms). This unit does not typically offer Summer Term GE appointments. GE positions are posted on the COE GE Information website.

3.0 APPLICATION PROCESS AND ELIGIBILITY REQUIREMENTS

Application Process for all Terms (Including Summer)
Positions are announced on the College of Education's GE website, generally in early February. Announcements, position descriptions, and application instructions can be found at https://coe.uoregon.edu/gtf/. The announcements are posted for a minimum of ten business days. To ensure consideration, students are encouraged to submit their application within ten business days of the announcement being posted. Occasionally, positions will be identified and posted outside of the normal appointment cycle.

For GE positions, a complete application consists of:
- A statement describing specific qualifications for that particular GE position (included within the online application);
- A current resume or CV;
- Three academic or professional references - names, email addresses and telephone numbers.

For all GE positions in the College of Education, eligible students are those who:
- Have been admitted to a degree-granting graduate program at the University of Oregon, and
- Are maintaining satisfactory progress toward their degree,
  - According to the Graduate School, and
  - According to criteria established by that GE’s graduate degree program

The Graduate School requires that students be enrolled for and successfully complete a minimum of 9 graduate credit hours towards the degree during each term of a GE appointment and be making satisfactory progress toward their degree in order to be eligible for a GE appointment (see Section 7).

COE Communications Journalist GE Qualifications:
- Ability to turn around fast, accurate news stories about faculty research, new grants and research contracts, and student research accomplishments
- Ability to identify and generate news and features stories of interest to education and higher education readers, prospective students, and donors
- Ability to write accurately and with flair about complex topics on tight deadlines
- Good time management and organization; ability to work to strict short and long term deadlines and to react quickly to breaking news
- Good interpersonal skills and ease working with colleagues
- Command of journalistic values and basic awareness of media law

4.0 APPOINTMENT AND REAPPOINTMENT PROCESS

In accordance with the CBA, this GE employing unit has a standing committee of at least three members, including (1) the Assistant Dean for Administration, (2) the Director of Communications and (3) a staff or
faculty member to be selected at the time of the application process. The Assistant Dean for Administration may appoint additional members to the committee, or delegate participation to other individuals.

Also in accordance with the CBA:

- GEs will be appointed year-to-year rather than term-to-term, whenever feasible. GEs are not employed term-by-term in order to determine whether they are adequately qualified for a GE position.
- Reappointments are not automatic, nor are they guaranteed.
- In the case of the continuation of a GE, the unit may opt to reappoint the same student to a particular GE position without any new announcement of the position.

Appointments and reappointments will be based on evaluation of each candidate's qualifications with respect to eligibility criteria, as well as:

(A) General criteria include (in no particular order)

- Academic Credentials. For incoming students, this is evidenced by previous degrees and grades, test scores, etc. Making satisfactory progress toward the degree is an eligibility criterion, not a criterion on which rank in the applicant pool is determined.
- Recommendations from academic or work supervisors. Consideration will be given for a positive working arrangement between a GE and the supervisor person with whom the GE will work. While appointment or reappointment criteria may include the recommendation of the person who will act as the GE’s supervisor, the committee must give substantial consideration to the other appointment or reappointment criteria.
- Previous experience. For non-teaching GE positions, previous employment or other experience relevant to the GE position available.
- Interviews. In the event that the hiring committee interviews GE applicants, finalists will be interviewed and evaluated based on their performance and responses.

(B) Assignment Type-Related Criteria

- For an Administrative GE - Preference shall be given to those who have specific training and/or experience to perform the position duties and responsibilities. See position announcements for details, but these may include:
  - experience with journalistic reporting on education, human development, and human sciences research project coordination and evaluation
  - enrollment in a COE Graduate Program

- See each position announcement for details, but criteria may include, but not be limited to:
  - previous experience
  - strong verbal and written communication skills
  - demonstrated ability to establish positive interpersonal relationships
  - additional qualifications as cited in the individual GE position postings

Candidates will be rank-ordered based upon, first, the eligibility criteria in Section 3, and subsequently, the general, assignment type-related, and specific criteria referred to above.

No Qualified Applicants for a Position and Emergency Appointments
If no qualified students apply or are available for a particular position, the selection committee or department head may decide to reopen the application process for the position. Generally, the same application process described in Section 3 and appointment/reappointment process described here will be repeated. However, the department reserves the right to proceed to fill the position as it would an emergency appointment. In such cases, the GE hiring committee will select amongst available and qualified applicants from current pool(s). If a successful applicant is not found, the Department Head or Committee may decide to reopen the application process for the position.

**GE Performance Evaluation**

Evaluations are performed by the COE Director of Communications:

- At the mid-point of the GE appointment and at the end of the GE appointment for GEs appointed fall, winter and spring

**Selection Process Overview**

1. In February of each year, GE positions are posted on the COE’s GE Positions web page. In the case of the continuation of a particular position, the same student may continue in (i.e. be reappointed to) the particular GE position without any new announcement of the position.
2. Once the position has been posted to the website for a minimum of ten business days, all submitted application materials will be reviewed by the GE Search Chair. Any applications not containing all required documents/information or not demonstrating evidence that the applicant meets minimum eligibility requirements described in Section 3 will not be submitted for consideration to the GE Selection Committee.
3. The GE Selection Committee will review all qualified applications either electronically or in printed form in preparation for the selection meeting.
4. The primary selection meeting is usually held in March or April and is attended by the GE Search Chair and at the three Selection Committee members. At the committee’s discretion, more than one selection meeting may be held.
5. At the selection meeting, Selection Committee members evaluate the qualifications of applicants and make hiring decisions based upon the evaluation criteria (refer to “Evaluation of candidate’s qualifications by Selection Committee”).
6. The GE Search Chair makes note of the applicant selected for each position and records the ratings of the committee on the Applicant Score Sheets.
7. After the selection meeting, the GE Search Chair notifies applicants of the committee’s decision(s) via email.

**Evaluation of Candidate’s Qualifications by Selection Committee**

Appointments and reappointments will be based on evaluation of each candidate’s qualifications, including but not limited to:

- Order of preference (section 4)
- Strength of applicant’s letter in calling out specific knowledge, skills, and experiences that match the position posting qualifications
- Recommendations from academic or work supervisors.

GEs通常被指定在以下FTE水平和相应的总最大工作小时数:

工作时间的分布可能会根据周到周有所不同，但每学期的工作量应保持在最大总工作小时数内。GEs应跟踪他们如何分配工作时间，并在学期初与他们的监督者讨论，如果他们似乎不能在学期中保持在最大工作小时内，则他们的监督者可以提供有关如何更有效地使用可用工作时间的建议。

行政GE按工资标准支付，并将被要求在提供的表格上跟踪他们的时间。行政GE了解除了法律规定的必要工作任务外，大学将按照小时支付给GE，固定工资每月底，无论实际工作时间长短。

注：如果工作量按分配任务的职责分摊并指定为“最低”小时数，则GE必须完成该特定工作时间。

在该GE雇用单位，以下类型的GE工作分配如下：

**行政GE**

6.0 HEALTH AND SAFETY

Accident Reporting and Workers’ Compensation
The University's Workers' Compensation Program is administered by Safety and Risk Services. If you have any questions about the program, please call 541-345-8316.

All University of Oregon employees, including GEs, are covered by workers' compensation insurance through SAIF Corporation. This coverage is for occupational injuries, illnesses or diseases that arise out of or in the course and scope of employment.

The University has established procedures for reporting accidents and filing workers' compensation claims. They are intended to expedite claims processing and to minimize the possibility of delays in payment of benefits. If a GE is injured on the job, the GE must report it immediately to the supervisor. The supervisor will complete the Workplace Injury Report with the GE. If, as a result of the accident, the GE requires medical care, a Workers’ Compensation Claim Form (801) must be completed within 24 hours. If, due to the nature of the injury or illness, the GE is unable to complete the 801, the supervisor will submit it on behalf of the GE. Workers' compensation information and forms are available at https://safety.uoregon.edu/injury-reporting-and-workers-compensation.

Oregon laws prohibit discrimination or retaliation by an employer against an employee for filing a workers' compensation claim or a safety-related complaint with OSHA (Occupational Safety and Health Administration).

In addition to medical expenses related to the injury or illness, benefits provided by SAIF Corporation may also include temporary total disability payments if the GE is unable to work as authorized by an attending physician. The GE will be notified by SAIF Corporation of the rights and coverage when the claim is processed.

An injured GE who is unable to work may not receive both salary compensation from workers' compensation and sick leave or other pay when this results in the GE receiving more than their regular monthly salary. Should this occur and payment is received from both sources, the GE must be prepared to repay any over-payments. If the GE believes there is some confusion about salary or workers' compensation benefits, contact Safety and Risk Services immediately.
ORS 659A.043 – 659A.052 describe reinstatement or reemployment rights for employees who have sustained a compensable occupational injury or illness.

Safety Information

### 7.0 SATISFACTORY PROGRESS TOWARD GRADUATE DEGREE

**Satisfactory Progress for all UO Graduate Students**

Requirements for being in good standing and maintaining satisfactory academic progress with the UO Graduate School include, but are not limited to, complying with the Student Conduct Code, continuous enrollment, appropriate course load, grades and time limit. Details are found on the Graduate School website: http://gradschool.uoregon.edu/policies-procedures/satisfactory-progress. Each GE employing unit is responsible for verifying that the GE is making satisfactory progress toward his/her degree, whether or not the hiring unit is also the GE’s graduate degree program.

The criteria used to assess satisfactory progress toward a graduate degree is the same for all graduate students in a particular graduate degree program, whether or not they hold a GE position. For GEs, satisfactory progress toward the degree is an eligibility requirement of GE appointment and reappointment. Failure to make satisfactory progress will result in disqualification from consideration for a GE position. The students’ academic progress will be evaluated each round of applications per the criteria listed above.

### 8.0 DISCRIMINATION GRIEVANCE PROCEDURES

To file an employment-related discrimination grievance, GEs are encouraged to contact the Graduate Teaching Fellows Federation. For discrimination grievances that pertain to a GE's role as a student, graduate students should refer to the Office of Investigations and Civil Rights Compliance reporting procedures online at https://investigations.uoregon.edu/how-report.
