1.0 GENERAL INFORMATION

About This Document
The purpose of this GDRS is to clarify information concerning Graduate Employee positions (GEs) offered by this GE hiring unit. The relationship between GEs and the University as a whole is governed by the Collective Bargaining Agreement (CBA) between the University of Oregon and the Graduate Teaching Fellows Federation. This GDRS details the specific relationship between GEs and this GE hiring unit.

This document does not apply to work-study, hourly student employees or other staff hired in this GE hiring unit.

The revision date of this GDRS is October 24, 2019.

Implementation Oversight
The individuals charged with overseeing implementation of the processes outlined in this GDRS is:
- Randy Kamphaus, Professor and Dean, College of Education, randyk@uoregon.edu
- Jessica Roberts, Director of Communications, robertsj@uoregon.edu, 541-346-8979

2.0 AVAILABILITY OF GRADUATE EMPLOYEE APPOINTMENTS

Overview
The availability of GE appointments in the College of Education’s (COE) Office of the Dean Department is determined by COE administration and based on the administrative needs of the Office of the Dean. The number of GE positions available is subject to the budgetary constraints on the GE employing unit.
and the University.

In this GE employing unit, GE positions are typically limited to administrative positions. Appointments are typically available during the academic year only (Fall, Winter, and Spring Terms). This unit does not typically offer Summer Term GE appointments. Open GE positions are posted on the COE GE Information website.

3.0 APPLICATION PROCESS AND ELIGIBILITY REQUIREMENTS

Application Process for all Terms (Including Summer)
The College of Education announces the majority of their open GE positions in early February on the COE GE website. Announcements, position descriptions, and application instructions can be found at https://coe.uoregon.edu/gtf/. The announcements are posted for a minimum of ten business days. To ensure consideration, students are encouraged to submit their application within ten business days of the announcement being posted. Positions within the Office of the Dean often are identified and posted outside of the normal appointment cycle.

For GE positions, a complete application consists of:
- A statement describing specific qualifications for that particular GE position (included within the online application);
- A current resume or CV;
- Three academic or professional references - names, email addresses and telephone numbers.

For all GE positions in the College of Education, eligible students are those who:
- Have been admitted to a degree-granting graduate program at the University of Oregon, and
- Are maintaining satisfactory progress toward their degree,
  - According to the Graduate School, and
  - According to criteria established by that GE’s graduate degree program

The Graduate School requires that students be enrolled for and successfully complete a minimum of 9 graduate credit hours towards the degree during each term of a GE appointment and be making satisfactory progress toward their degree in order to be eligible for a GE appointment (see Section 7).

4.0 APPOINTMENT AND REAPPOINTMENT PROCESS

In accordance with the CBA, this GE employing unit has a standing committee of at least three members, including (1) the Assistant Dean for Administration and 2 staff or faculty member to be selected at the time of the application process. The Assistant Dean for Administration may appoint additional members to the committee, or delegate participation to other individuals.

Also in accordance with the CBA:

- GEs will be appointed year-to-year rather than term-to-term, whenever feasible. GEs are not employed term-by-term in order to determine whether they are adequately qualified for a GE position.
- Reappointments are not automatic, nor are they guaranteed.
- In the case of the continuation of a GE, the unit may opt to reappoint the same student to a particular GE position without any new announcement of the position.

Appointments and reappointments will be based on evaluation of each candidate’s qualifications with respect to eligibility criteria, as well as:

(A) General criteria include (in no particular order)

- **Academic Credentials.** For incoming students, this is evidenced by previous degrees and grades, test scores, etc. Making satisfactory progress toward the degree is an eligibility criterion, not a criterion on which rank in the applicant pool is determined.
- **Recommendations from academic or work supervisors.** Consideration will be given for a positive working arrangement between a GE and the supervisor person with whom the GE will work. While appointment or reappointment criteria may include the recommendation of the person who will act as the GE’s supervisor, the committee must give substantial consideration to the other appointment or reappointment criteria.
- **Previous experience.** For non-teaching GE positions, previous employment or other experience relevant to the GE position available.
- **Interviews.** In the event that the hiring committee interviews GE applicants, finalists will be interviewed and evaluated based on their performance and responses.

(B) Assignment Type-Related Criteria

- **For Administrative GEs** - Preference shall be given to those who have specific training and/or experience to perform the position duties and responsibilities. See position announcements for details, but these may include:
  - experience with journalistic reporting on education, human development, and human sciences research project coordination and evaluation
  - enrollment in a COE Graduate Program
• See each position announcement for details, but criteria may include, but not be limited to:
  o previous experience
  o strong verbal and written communication skills
  o demonstrated ability to establish positive interpersonal relationships
  o additional qualifications as cited in the individual GE position postings

Candidates will be rank-ordered based upon, first, the eligibility criteria in Section 3, and subsequently, the general, assignment type-related, and specific criteria referred to above.

Direct Appointments
Direct appointments to GE positions may be made to students who are awarded a Graduate Employee position (in their academic department) as part of their admissions acceptance.

No Qualified Applicants for a Position and Emergency Appointments
If no qualified students apply or are available for a particular position, the selection committee or department head may decide to reopen the application process for the position. Generally, the same application process described in Section 3 and appointment/reappointment process described here will be repeated. However, the department reserves the right to proceed to fill the position as it would an emergency appointment. In such cases, the GE hiring committee will select amongst available and qualified applicants from current pool(s). If a successful applicant is not found, the Department Head or Committee may decide to reopen the application process for the position.

GE Performance Evaluation
Evaluations are performed by the GE’s supervisor:
• At the mid-point of the GE appointment and at the end of the GE appointment for GEs appointed fall, winter and spring

Selection Process Overview
1. In February of each year, GE positions are posted on the COE’s GE Positions web page. In the case of the continuation of a particular position, the same student may continue in (i.e. be reappointed to) the particular GE position without any new announcement of the position.
2. Once the position has been posted to the website for a minimum of ten business days, all submitted application materials will be reviewed by the GE Search Chair. Any applications not containing all required documents/information or not demonstrating evidence that the applicant meets minimum eligibility requirements described in Section 3 will not be submitted for consideration to the GE Selection Committee.
3. The GE Selection Committee will review all qualified applications either electronically or in printed form in preparation for the selection meeting.
4. The primary selection meeting is usually held in March or April and is attended by the GE Search Chair and at the three Selection Committee members. At the committee’s discretion, more than one selection meeting may be held.
5. At the selection meeting, Selection Committee members evaluate the qualifications of applicants and make hiring decisions based upon the evaluation criteria (refer to “Evaluation of candidate’s qualifications by Selection Committee”).
6. The GE Search Chair makes note of the applicant selected for each position and records the ratings of the committee on the Applicant Score Sheets.
7. After the selection meeting, the GE Search Chair notifies applicants of the committee’s decision(s)
via email.

**Evaluation of Candidate’s Qualifications by Selection Committee**

Appointments and reappointments will be based on evaluation of each candidate’s qualifications, including but not limited to:

- Order of preference (section 4)
- Strength of applicant’s letter in calling out specific knowledge, skills, and experiences that match the position posting qualifications
- Recommendations from academic or work supervisors.

**5.0 WORKLOAD AND WORK ASSIGNMENTS**

Workload includes performance of all duties of the work assignment. For example, the workload for an administrative GE assignment would include duties such as writing and researching news stories, communicating with faculty and staff, establishing and maintaining relationships with faculty and staff, and managing research and administrative projects. In setting the workload (and thus FTE) for a particular GE position, GE employing units consider what constitutes a workload sufficient to perform the work assignment satisfactorily.

GEs are most commonly appointed at the following FTE levels and corresponding total maximum work hours:

<table>
<thead>
<tr>
<th>FTE</th>
<th>Maximum Work Hours per Term</th>
<th>Average Hours per Week (based on 11-wk term)</th>
<th>Maximum Work Hours per Academic Year</th>

The distribution of time actually spent on duties may vary from week to week, but the workload per term should be within the maximum total work hours. GEs are encouraged to track how they spend their work time and to contact their supervisors early in the term if it seems as if they will not be able to stay within the maximum work hours for the term. The supervisor may be able to advise on how to manage the available work time more effectively.

Administrative GEs are paid on a salary basis and will be required to track their time on the timesheet provided by their supervisor. Administrative GEs understand that except as otherwise required by law, the university will pay them a fixed salary every month regardless of the number of hours actually worked that month.

**NOTE:** Where the workload is broken down by work assignment duties and is designated as a “minimum” number of hours, the GE is required to fulfill that specific time commitment.

In this GE employing unit, duties for the following types of GE work assignments are as follows:
**Administrative GE**

Specific duties will vary from week to week. The GE will be responsible for time management, and will communicate regularly with their supervisor for guidance in prioritizing tasks from week to week. Specific responsibilities for each position include:

**COE Communications Journalist GE**

- Stay current on faculty research and related policy by interviewing and checking-in with faculty periodically, reading journals, cultivating faculty and student sources, attending conferences and visiting research units and teams
- Write sophisticated, accurate and high-impact stories that will include data and images, not just words
- Work with multimedia, art and media asset teams as needed to help produce graphics, videos, webcasts, podcasts and other multimedia or visual content to accompany or augment written news coverage
- Other tasks required by the college’s Director of Communications

**COE Administrative Graduate Employee (assisting the dean)**

- Good time management and organization
- A well-developed sensitivity to and experience working with groups of students traditionally underrepresented in higher education
- A demonstrated ability to work effectively and professionally with a diverse group of faculty
- Strong interpersonal and written and oral communication skills
- Independent and self-motivated
- Experience using statistical analysis software tools, and Microsoft Word, Excel, PowerPoint

6.0 **HEALTH AND SAFETY**

**Accident Reporting and Workers’ Compensation**

The University's Workers' Compensation Program is administered by Safety and Risk Services. If you have any questions about the program, please call 541-345-8316.

All University of Oregon employees, including GEs, are covered by workers' compensation insurance through SAIF Corporation. This coverage is for occupational injuries, illnesses or diseases that arise out of or in the course and scope of employment.

The University has established procedures for reporting accidents and filing workers' compensation claims. They are intended to expedite claims processing and to minimize the possibility of delays in payment of benefits. If a GE is injured on the job, the GE must report it immediately to the supervisor. The supervisor will complete the Workplace Injury Report with the GE. If, as a result of the accident, the GE requires medical care, a Workers’ Compensation Claim Form (801) must be completed within 24 hours. If, due to the nature of the injury or illness, the GE is unable to complete the 801, the supervisor will submit it on behalf of the GE. Workers’ compensation information and forms are available at [https://safety.uoregon.edu/injury-reporting-and-workers-compensation](https://safety.uoregon.edu/injury-reporting-and-workers-compensation).
Oregon laws prohibit discrimination or retaliation by an employer against an employee for filing a workers' compensation claim or a safety-related complaint with OSHA (Occupational Safety and Health Administration).

In addition to medical expenses related to the injury or illness, benefits provided by SAIF Corporation may also include temporary total disability payments if the GE is unable to work as authorized by an attending physician. The GE will be notified by SAIF Corporation of the rights and coverage when the claim is processed.

An injured GE who is unable to work may not receive both salary compensation from workers' compensation and sick leave or other pay when this results in the GE receiving more than their regular monthly salary. Should this occur and payment is received from both sources, the GE must be prepared to repay any over-payments. If the GE believes there is some confusion about salary or workers' compensation benefits, contact Safety and Risk Services immediately. ORS 659A.043 – 659A.052 describe reinstatement or reemployment rights for employees who have sustained a compensable occupational injury or illness.

**Safety Information**
The University of Oregon Safety Policy may be found in the library, [http://policies.uoregon.edu/vol-4-finance-administration-infrastructure/ch-5-public-safety/safety-physical-space-and-environment](http://policies.uoregon.edu/vol-4-finance-administration-infrastructure/ch-5-public-safety/safety-physical-space-and-environment). **Location of Emergency Procedures, Evacuation Plans, and First Aid Supplies:**
Office of Student Academic Services, HEDCO 130: First aid supplies are located in the cabinet above the sink. Evacuation plans and emergency procedures are posted on the walls near the copier in HEDCO 130. Faculty and Staff Services, HEDCO 230: First aid supplies are located above the sink as well as in the copier room.

**7.0 SATISFACTORY PROGRESS TOWARD GRADUATE DEGREE**

**Satisfactory Progress for all UO Graduate Students**
Requirements for being in good standing and maintaining satisfactory academic progress with the UO Graduate School include, but are not limited to, complying with the Student Conduct Code, continuous
enrollment, appropriate course load, grades and time limit. Details are found on the Graduate School website: http://gradschool.uoregon.edu/policies-procedures/satisfactory-progress. Each GE employing unit is responsible for verifying that the GE is making satisfactory progress toward his/her degree, whether or not the hiring unit is also the GE’s graduate degree program.

The criteria used to assess satisfactory progress toward a graduate degree is the same for all graduate students in a particular graduate degree program, whether or not they hold a GE position. For GEs, satisfactory progress toward the degree is an eligibility requirement of GE appointment and reappointment. Failure to make satisfactory progress will result in disqualification from consideration for a GE position. The students’ academic progress will be evaluated each round of applications per the criteria listed above.

8.0 DISCRIMINATION GRIEVANCE PROCEDURES

To file an employment-related discrimination grievance, GEs are encouraged to contact the Graduate Teaching Fellows Federation. For discrimination grievances that pertain to a GE’s role as a student, graduate students should refer to the Office of Investigations and Civil Rights Compliance reporting procedures online at https://investigations.uoregon.edu/how-report.
